PREAMBLE

The Old Port of Montréal welcomes over six million visitors every year. In an effort to ensure everyone's well-being, security crews patrol the site from east to west. The following regulations are designed to ensure that the public is safe while on the site.

1. DEFINITIONS

- 1.1 Corporation: The Old Port of Montréal Corporation Inc.
- 1.2 Site: The entirety of the lands and buildings administrated by the Corporation. Generally speaking, lands are delimited to the north by Rue de la Commune, to the south by the St. Lawrence River, to the east by Rue Berri, and to the west by the Mill Bridge.
- 1.3 Partner Organization: organization or individual operating an activity, business, or event or undertaking works on the Corporation's lands with the Corporation's consent.
- 1.4 Summer season: period running from mid-May to mid-October.

2. GENERAL TERMS

- 2.1 The Corporation's rest areas are open from 6 a.m. to midnight, 365 days a year, unless otherwise indicated by the Corporation. The Site is closed between midnight and 6 a.m. unless use of the site is otherwise authorized by the Corporation on special occasions.
- 2.2 All persons must respect the opening and closing hours of the Site's various sectors and buildings, when applicable, and must leave any building or sector upon request from a Corporation or Partner Organization employee.
- 2.3 All persons may be asked to submit to a frisk search by the Corporation's or a Partner Organization's security personnel at the entrance of a sector or building. Anyone refusing to identify themselves or to submit to a frisk search could be barred from entering the sector or building in question.
- 2.4 All persons must conduct themselves in keeping with all directives from Society and Partner Organization staff during events and activities.
- 2.5 Anyone behaving suspiciously, disruptively, or in any manner that could put the safety of others or of any property at risk, or otherwise disturbing the proper operation of the Site or its activities or travelling on or across the Site without valid reason, may be ejected from the Site.
- 2.6 Should an emergency situation or potential risk arise; all persons must follow the directives of security staff and all other authorized employees.
- 2.7 Anyone coming onto the Site is deemed to have consented to these regulations and agrees to being subject to video surveillance.
- 2.8 These regulations do not replace any laws or regulations put in place by municipal, provincial, federal, or other regulatory authorities. Agents of any of these authorities may at any time be present on the Site to enforce any such laws and regulations. Should any part of these regulations conflict with any other applicable law or regulation, such other law or regulation will supersede these regulations without, however, nullifying other parts of said regulations.
- 2.9 Certain activities held on the Site may be subject to specific regulations complementary to those outlined herein.

3. BEHAVIOURS AND DEMEANOUR

Endangerment

- 3.1 It is forbidden to put the safety of oneself or others at risk, either voluntarily or from negligence, notably by failing to respect security gates and perimeters.
- 3.2 It is forbidden to simulate an emergency or to make fraudulent calls for help.
- 3.3 It is forbidden to remove, hide, obstruct, or hinder any security equipment or hinder its proper functioning. This includes extinguishers, sprinklers, Siamese valves, and manual pull stations. It is also forbidden to obstruct any evacuation exits or routes.

Hazardous Items and Materials

- 3.4 Carrying all forms of firearms and bladed or blunt weapons is forbidden, except for personnel members whose professional responsibilities require them to carry a weapon. Such persons must also hold and make available the appropriate permits for these weapons, as required.
- 3.5 The possession and use of explosives, firecrackers, and fireworks without authorization from the Corporation is forbidden.
- 3.6 The transport, possession, and storage of hazardous materials on the Site without authorization from the Corporation is forbidden. Additionally, all laws and regulations (including but not limited to safety regulations) and applicable environmental standards must be followed at all times.

Public Order

- 3.7 Criminals acts, such as disturbing the peace, property damage, theft, fraud, indecent acts, assault, or possession of drugs (other than cannabis) are forbidden.
- 3.8 Disturbing public order, the well-being and peace of mind of others, and the proper operation of activities is forbidden.
- 3.9 Being naked, bare-footed, or wearing indecent or offensive clothing is forbidden. Shoes, pants or shorts, and shirts are mandatory everywhere on the Site including, but not limited to, all outdoor areas and inside buildings.
- 3.10 Standing, sleeping, or occupying more than one seat on benches or tables, scaling walls, buildings and fences, and climbing trees are all forbidden.
- 3.11 Loitering anywhere on the Site and inside the Corporation's buildings and installations, including its headquarters, is forbidden.

Garbage and Objects Left Behind

- 3.12 It is forbidden to discard, leave behind, or dump garbage, litter, any articles or objects, hazardous materials, or pollutants on the Site or in the river, other than in the containers designed for this purpose, as applicable.
- 3.13 Any and all objects found will be considered as having been abandoned and will be held at the Corporation's security office for sixty (60) days, after which time the Corporation will dispose of them.

Activities

- 3.14 Lighting fires and campfires and using hot plates, portable stoves, barbecues, and other similar equipment is forbidden.
- 3.15 Throwing or launching projectiles by hand or by other means is forbidden. The previous notwithstanding, the safe use of balls, balloons, and frisbees is permitted but the use of baseball bats, hockey sticks, golf clubs, or any other sporting equipment of this kind is forbidden.
- 3.16 Swimming is forbidden both in the Site's basins and in the river.
- 3.17 The use of sound amplification equipment without authorization from the Corporation is forbidden. The use of radios and musical instruments is permitted so long as their volume remains at an acceptable level as to ensure that the Site remains tranquil.
- 3.18 It is forbidden to initiate or participate in any form of gambling on the Site.
- 3.19 The use of drones, motorized scaled model, rockets, or kites on the Site without authorization from the Corporation is forbidden.
- 3.20 Camping is forbidden on the Site.
- 3.21 Using public services such as running water, electricity, or telephone lines without prior authorization from the Corporation is forbidden unless such services are explicitly made available for public use.

Animals

- 3.22 Hunting, trapping, and shooting is forbidden on the Site.
- 3.23 Fishing is forbidden within the boundaries of the Site.
- 3.24 Feeding birds and wild animals on the Site is forbidden.
- 3.25 Walking with a pet is permitted on the Site so long as it is on a leash. Pet owners must pick up their pet's excrements and maintain control of their pet at all times to ensure it does not disturb, or pose a threat to, members of the public.
- 3.26 The presence of animals is forbidden inside the Corporation's buildings and at Clock Tower Beach, except for service animals (such as guide dogs and assistance dogs) whether they are on duty or in training.

Food and Beverages

- 3.27 Selling, consuming, and being in possession of alcoholic beverages on the Site is forbidden, except in areas specifically designated for this purpose by the Corporation.
- 3.28 Using glass containers is only permitted in food concession stands duly authorized by the Corporation to do so.
- 3.29 It is at all times forbidden to bring in and consume, at food concession stands and on their terraces, food or beverages purchased elsewhere than on the Site.
- 3.30 Sale of any and all products is forbidden on the Site without the prior authorization of the Corporation.

Tobacco, vaping, and cannabis

- 3.31 Smoking and vaping tobacco or cannabis are prohibited at all times inside the Corporation's buildings.
- 3.32 Smoking and vaping tobacco or cannabis are prohibited on terraces and other outdoor areas used for commercial operations and designed for rest, relaxation, and consumption of products.
- 3.33 Smoking and vaping tobacco or cannabis are prohibited in outdoor play and game areas designated for children and the general public.
- 3.34 It is prohibited to smoke or vape tobacco or cannabis at the Old Port skating rink and at Clock Tower Beach as they are open to the members of the public, including minors.
- 3.35 Smoking and vaping tobacco or cannabis are prohibited within a distance of nine (9) metres from any door, air inlet or vent, or window that, when open, gives into a building.

Payment

- 3.36 Any person partaking in a paid activity or buying a product or service on the Site is obliged to pay the associated fees.

4. TRAFFIC AND PARKING

Prohibited Vehicles

- 4.1 It is forbidden to take off from, or land on, the Site or to organize an acrobatic flight or parachute event on the Site or at very low altitude immediately above the Site without authorization from the Corporation.
- 4.2 It is forbidden to ride on the Site in a drawn sled or carriage without authorization from the Corporation.
- 4.3 It is forbidden to ride a skateboard on the Site.
- 4.4 It is forbidden to ride a motor vehicle on the Site if such vehicle is not in good mechanical condition, unsafe, or fails to meet current standards, including anti-pollution standards.
- 4.5 The use of golf carts belonging to the Corporation and Partner Organizations is permitted across the Site upon authorization from the Corporation, but they must be equipped with front and back headlights.
- 4.6 The Site is first and foremost a pedestrian area. All vehicles must at all times give the right of way to pedestrians, bicycles, and other Site users.
- 4.7 The use of vehicle horns is permitted for emergency purposes only.
- 4.8 The number of passengers per vehicle may not exceed the vehicle's number of places.
- 4.9 It is forbidden to ride in an automobile, a gasoline engine motorized scooter, or an electric scooter in areas where automobile traffic is not permitted (i.e. on the Promenade) without the Corporation's authorization. Automobile traffic is only permitted in the King Edward and Clock Tower parking lots and on their access roads for Site access purposes only.
- 4.10 Any authorized automobile driving in areas where automobile traffic is not permitted must be identifiable as belonging to the Corporation, a Partner Organization, an emergency service, or a media outlet and must visibly display a valid permit from the Site's parking service authorizing driving or parking on site or a delivery to the Corporation or a Partner Organization.

- 4.11 All deliveries must be made between 1 a.m. and 10 a.m. during the summer season, unless prior authorization is obtained from the Corporation's parking or logistics services. Anyone violating this regulation will be barred from accessing the site, and/or ticketed and possibly towed by the City of Montréal parking service. Vehicles identified as belonging to the Corporation or an emergency service are permitted on Site at all times so long as they have relevant business in that sector and so long as the sector is not unduly busy.

Vehicle Traffic

- 4.12 Anyone driving on the Site must follow all traffic regulations outlined in the *Highway Safety Code* and the Corporation's parking regulations.
- 4.13 It is forbidden to drive in excess of 10 km/h in a motor vehicle on the Site.
- 4.14 When driving on the Promenade, it is forbidden to zigzag, cut in front of other vehicles, perform any kind of acrobatics, hang on to a vehicle that is in operation, or otherwise behave dangerously.
- 4.15 Sidewalks are exclusively reserved for pedestrians.
- 4.16 Driving motor vehicles on grassy areas is prohibited.
- 4.17 It is prohibited to drive a bicycle and to use inline skates, scooters, or any other similar means of transport inside the Corporation's buildings.

Accidents

- 4.18 Anyone involved in an accident involving a vehicle, golf cart, bicycle, must alert and identify themselves to a member of the Site's security team.

Train

- 4.19 The level crossing barrier lights will flash when a train is approaching. Vehicles are prohibited from accelerating when the barriers begin to come down.
- 4.20 It is prohibited to be on the railway when an oncoming train is less than 20 metres away from the road or before a passing train has entirely cleared the road. All vehicles and pedestrians must remain behind the level crossing barriers.
- 4.21 It is prohibited to climb onto the roof of a train or to pass under a train, whether it is in operation or not.
- 4.22 It is forbidden to drive, walk, park, stand, or place any object on the railway or in the railway safety zone without valid reason without immediately advising the security office at 514 496-0606. Valid reasons include vehicle stalling, idling to avoid an accident, railway maintenance, etc.).

Parking

- 4.23 It is forbidden to park in any area not designated for this purpose.
- 4.24 It is forbidden to park in any spot designated for persons with restricted mobility without a valid permit and in absence of the person for whom the permit was issued.
- 4.25 It is forbidden to park in a bus passenger unloading zone without authorization to do so.
- 4.26 It is forbidden to park in any temporary parking area for longer than the specified period.
- 4.27 It is forbidden to park on the Jacques-Cartier Quay service road without authorization from the Corporation, except for vehicles associated with a media outlet or for deliveries to the Site lasting no longer than thirty (30) minutes.

- 4.28 It is forbidden to park in such a way as to occupy more than one parking space.
- 4.29 It is forbidden to park a motor home or trailer on the Site.
- 4.30 It is forbidden to park in such a way as to impede car and foot traffic and building access.
- 4.31 It is forbidden to park in a permit holder parking zone without being a holder of the relevant parking permit. Said parking permit must also be visibly displayed.

Payment of Parking Fees

- 4.32 Anyone parking a vehicle in any of the Old Port parking lots must pay the current rates.
- 4.33 Monthly or complimentary parking passes may not be used by, or given or lent to, anyone for whom the pass was not originally intended.
- 4.34 It is forbidden to avoid paying, in part or in whole, parking fees by way of fraud or equipment tampering, by leaving the parking lots through unauthorized exits points, or by any other means.

Abandoned Vehicles

- 4.35 It is forbidden to park any bicycle, scooter, or other vehicle in any other place than those designated for them.
- 4.36 Any automobile, bicycle, scooter, or other similar vehicle left in the same spot for more than one (1) week will be considered abandoned and will be handed over to the Service de police de la Ville de Montréal unless alternative prior arrangements are made with the Corporation.

5. PARTNERS AND EVENTS

Authorization

- 5.1 Musical and artistic performances, animal exhibitions, displays, events, activities, shows, and tours are forbidden on the Site without authorization from the Corporation.
- 5.2 It is forbidden to panhandle, solicit members of the public, sell, hand out flyers, showcase products, hang banners or signs, advertise, promote a product, service, or cause on the Site, be it for commercial purposes or not, without the authorization of the Corporation.

Film Shoots

- 5.3 Filming, recording, and taking photos other than for personal use is prohibited without the prior written authorization of the Corporation.

Events

- 5.4 Any partner organizing an event or engaging in any commercial activity on the Site must have a lease agreement, a contract, or a valid license agreement and must respect its terms at all times.

Commercial Events and Activities

- 5.5 All partners must abide by the terms of the contract entered into with the Corporation and by all of the Corporation's policies as well as instructions issued by the Corporation's partnership manager.

General Conditions

- 5.6 All partners and their employees, and any other person in charge as well as persons entering the leased premises, as the case may be, must abide by the regulations outlined herein as well as follow all directives outlined by the Corporation and any authorities mandated to manage their partnership.
- 5.7 All event producers and all partners must respect all laws, regulations, and safety standards such as the *National Building Code of Canada*, the *National Fire Code of Canada*, and hall and building maximum capacities, and must follow all standards, laws and regulations in effect, specifically in relation to cleanliness and noise levels, as well as undergo inspections by the Montréal fire department (Services des Incendies de Montréal, or SIM), the provincial health and safety commission (Commission des normes de l'équité la santé et la sécurité au travail, or CNESST), and food and health safety inspection agencies, and must have the required authorizations and permits of which a copy must be submitted to the relevant Corporation representative.
- 5.8 All event producers and all partners operating on the Corporation's lands must follow the Corporation's *Noise Management Policy* available on the Corporation's website.
- 5.9 All event producers and all partners operating on the Corporation's lands must respect current noise emission standards as to avoid disturbing Site users and neighbours.
- 5.10 All partners are liable for any breakage or damage they may cause, and any costs associated with these.
- 5.11 All partners are responsible for ensuring safety in all sectors, premises, and buildings they use. They are specifically responsible for closing and securing these areas. They must also cooperate with security personnel by identifying themselves and justifying their presence when so requested by them.
- 5.12 All partners must respect the Corporation's exclusivity agreements.
- 5.13 All partners are responsible for recycling their trash.

6. MONTRÉAL SCIENCE CENTRE

- 6.1 Eating and drinking is prohibited in the Montréal Science Centre exhibition halls.

- 7.8 It is forbidden to voluntarily damage the surface of the ice.
- 7.9 Everyone is expected to follow the rink personnel's directives, specifically in terms of rink maintenance periods and the direction in which rink users must skate.
- 7.10 The presence of all animals is prohibited on the rink.

8. ACTIVITIES ON THE WATER

Navigation

- 8.1 All watercraft operators and owners must follow the laws and regulations outlined in the *Canada Shipping Act* and its regulations (*Small Vessel Regulations*, *Collision Regulations*, *Boating Restriction Regulations*, *Chart and Nautical Publications Regulations*, and the *Competency of Operators of Pleasure Craft Regulations*), the *Contraventions Act*, the *Criminal Code of Canada*, and all other relevant laws, regulations, and standards.
- 8.2 All watercraft operators and owners must stop and identify themselves when their watercraft is involved in an accident.
- 8.3 All watercraft operators and owners navigating in the basins or near the quays must comply with posted regulations that are in force and the directives of on-duty staff.
- 8.4 It is forbidden to navigate at a speed above 10 km/h in the Jacques-Cartier and Clock Tower basins.
- 8.5 All watercraft operators and owners must ensure their watercraft's wakes are kept to a minimum when navigating the Jacques-Carter and Clock Tower basins and must comply with all wake restrictions.
- 8.6 It is forbidden to waterski or engage in any other similar nautical activities in the Jacques-Cartier and Clock Tower basins.

Radio Communications

- 8.7 All watercrafts must use radio channels according to the standards set out by Transport Canada. Accordingly, VHF channel 68 is reserved for communications with marinas, the Port d'escale, and the Montreal Yacht Club while channel 16 is reserved for communications with the Canadian Coast Guard.

Mooring and Quayside Activities

- 8.8 All watercrafts must moor at the Port d'escale or the Montreal Yacht Club and must obtain prior authorization to do so.
- 8.9 Dropping anchor in the Jacques-Cartier, Clock Tower, King Edward, or Alexandra basins without authorization is forbidden.
- 8.10 All watercraft operators and owners must register at the control station upon arrival and departure and pay fees, as applicable. If the control station is closed, they must register as soon as it reopens.
- 8.11 All watercraft owners must, upon registration, provide their full name, the name of the boat, the duration of stay, and all other relevant information required by control station personnel. A valid photo ID may be required.
- 8.12 Excessive noise is forbidden, and a curfew is in effect from 11 p.m. to 10 a.m.
- 8.13 It is forbidden to obstruct quays and to install barbecues or any other equipment on the quays. Alcohol use and chairs on the quays are tolerated.
- 8.14 It is forbidden to undertake any work either quayside or in the basins except in urgent circumstances which requires authorization from the Corporation.
- 8.15 It is forbidden to dump any substance in the river. Additionally, fecal matter may only be disposed of in designated areas.
- 8.16 All watercraft owners with an animal must keep it onboard the watercraft and comply with clause 8.20 of these regulations.

Port d'escale

- 8.17 Boats may not navigate in excess of 10 km/h within the Port d'escale basin and must not make waves.
- 8.18 For security reasons, quays and jetties must remain unobstructed at all times so as not to impede access. The presence of chairs is tolerated so long as the middle of the quay is kept clear. The presence of tables, lockers, and any other piece of furniture on the quays is not permitted. Water and electricity cables resting on the quays must not extend across the quays and must remain one (1) foot (0.3 m) from quayside. Stairs may only be installed on the quays with the authorization of the Corporation.
- 8.19 Excessive noise is prohibited at all times and a curfew is in effect from 11 p.m. to 10 a.m. During the curfew period, any individual or group of individuals behaving inappropriately may be ejected without notice, compensation, or reimbursement.
- 8.20 Dogs are welcome on the Site and at the Port d'escale so long as they are on a leash and so long as their excrements are promptly picked up and disposed of in a hygienic manner.
- 8.21 For reasons for safety, cooking equipment is strictly forbidden on the quays. They are permitted aboard watercrafts so long as they are secured to the boat. Cooking equipment using naphtha or briquettes is not permitted, either on the quays or on boats.

- 8.22 It is forbidden to run, use inline skates, ride skateboards or bicycles, or use any other means of transport on the quays.
- 8.23 It is forbidden to swim, float on inflatables, or fish in the basin.
- 8.24 Use of glass containers is forbidden on the quays.
- 8.25 It is forbidden to feed ducks and other animals in the basin.
- 8.26 Port d'escal personnel members are not permitted to accept tips or gifts.
- 8.27 Any breakage or damage to Port d'escal or Corporation property must be reported to Port d'escal personnel and the individual responsible for said breakage or damage will be billed for repair costs as well as any applicable administration fees.
- 8.28 Quayside work liable to cause any environmental, visual, noise, or odour nuisance, or to pose a risk to the health and safety of anyone nearby, is prohibited.
- 8.29 It is forbidden to fuel up at the Port d'escal without explicit authorization from Port d'escal supervisors.
- 8.30 Leaving any used oils, or other hazardous waste, on the quays involves a \$1,000 fine.
- 8.31 Any boats for whom owners have failed to pay mooring fees and any boats mooring at the Port d'escal without authorization could be immobilized (chained) or towed into an unsecured area at the owner's expense.
- 8.32 It is forbidden to engage in commercial activity at the Port d'escal without explicit authorization to do so from the Corporation.
- 8.33 The Port d'escal is subject to the Site's general regulations.
- 8.34 Any individual whose behaviour is deemed unacceptable, or that is not in keeping with regulations of the Port d'escal, may be ejected without notice, compensation, or reimbursement.

The Beach

- 8.35 It is forbidden to bring alcohol onto the beach. Beverages purchased at the beach's beverage stand may be consumed on the beach but only in the area at the very end of the quay.
- 8.36 It is forbidden to walk a pet on, or bring a pet to, the beach except for service animals (guide dogs and assistance dogs) whether they be on duty or in training.
- 8.37 It is forbidden for minors to enter the area at the very end of the quay unless they are accompanied by a parent or guardian, including to use the showers or washrooms, or to access or leave the beach. Unaccompanied minors must use the area of the beach located along the quay, facing the yacht club.
- 8.38 It is forbidden to smoke or vape tobacco or cannabis at all times within the beach area.
- 8.39 It is forbidden to cross or climb over the beach deck barriers.
- 8.40 Use of appropriate swim wear is expected, and the use of diapers or swim wear is expected for babies.

- 8.41 It is forbidden to launch or throw projectiles (balloons, balls, frisbees) at the beach, either by hand or with any kind of device.
- 8.42 The use of sound amplification devices and musical instruments is forbidden on the beach. Only personal headsets are permitted as to ensure the Site remains tranquil.
- 8.43 All glass containers are forbidden on the beach.
- 8.44 Riding inline skates, skateboards, and bicycles is forbidden on the beach. Bicycle racks outside the beach area must be used to park all bicycles.
- 8.45 It is forbidden to pitch a parasol or any other structure in the sand that could damage the liner below the sand.
- 8.46 During evening events, minors are not permitted on any of the beach areas.

9. LIABILITY, ENFORCEMENT, AND SANCTIONS

Liability

- 9.1 The Corporation is not liable for any theft or loss of, or damage to, personal belongings or for any injury or harm occurring on the Site.

Enforcement

- 9.2 Security personnel are mandated and authorized to enforce these regulations.
- 9.3 Any individual becoming involved in, a victim of, or witness to any violation of these regulations, a criminal act, an accident, hazardous or emergency circumstances, or medical distress must alert the security office by calling 514 496-0606 or by speaking to an employee of the Corporation.
- 9.4 Any individual placing a call to any external emergency service must, inasmuch is possible, alert the security office of this by calling 514 496-0606.

Sanctions

- 9.5 Anyone found contravening these regulations may be barred from the Site.
- 9.6 Anyone found contravening Article 4 of these regulations (*Traffic and Parking*) may be subject to a warning or a ticket, be charged an additional fee upon renewal of their monthly pass, see their monthly pass suspended, or may have their vehicle towed at their expense.
- 9.7 Any partner or event producer not complying with these regulations may have their permit or authorization revoked or their contract cancelled.
- 9.8 Anyone causing damage or loss of revenues to the Corporation or to its Partner Organizations may be required to reimburse associated costs and lost revenues as well as administrative fees.
- 9.9 Anyone committing a criminal act, causing damage, or refusing to leave upon request of security personnel may be subject to legal action and civil and criminal prosecution.
